

Conflict need not weigh you down....  
or escalate.

We are trauma informed dispute  
resolution experts specialising in  
mediation, crisis management and  
negotiation.

Our practice assists individuals,  
companies and organisations in  
conflict to resolve their dispute  
without the need for long and  
costly litigation in the courts.

We have a solid track  
record resolving highly complex  
family, corporate, court referred  
and institutional conflict in  
urban, remote, international and  
cross cultural contexts.

It's confidential and we are ready  
to help you work things out.
